## FREE VACCINES FOR LIFE PUPPY WELLNESS PLAN

- A **15% discount** on Puppy Wellness Plan (PWP) services & products (excluding the FreeVax enrollment) is included with the package purchase.
- Your pet will also receive a **10% discount** on all additional services & products (including spay/neuter), not outlined in the PWP, for **ONE YEAR** from date of purchase.
- Heartgard/Frontline Gold or Heartgard/Nexgard Combo (purchased as any supply amount; single month, 3 months, etc.) is **15% off for ONE YEAR** from the date of purchase.
- With the purchase of this plan, you will also receive **100 pet points** with our LSAH Rewards (pet points are redeemable for a variety of discounts). To acquire & redeem pet points you must be enrolled in our LSAH Rewards Loyalty Program via the PetDesk app.
- This PWP program includes the Free Vaccine for Life program (FreeVax) and **DOES** require that the FreeVax contract be read and signed.
- This PWP is designed to be **paid in full** at the first visit.
- **This program is designed for the health of your pet and to provide you with a valuable service. No refunds, adjustments, deletions, or substitutions of vaccines, services, or vaccines will be allowed.**

### Additional Information:

- For the health of your pet, it may be recommended that we separate vaccines by adding additional appointments. These Technician Evaluation appointments would incur additional charges and are to be paid at the time of the service. I pre-authorize separating my pet's vaccines, if recommended.

- The age of spay and neuter recommendations will depend on the breed, size and health of your pet.
- You will receive friendly reminders for future veterinary services including vaccines throughout the duration of our doctor/patient relationship.
- **NOTE: It is extremely important not to go beyond 4 weeks between visits because of the 'boostering' effects of the vaccines. If you miss a scheduled visit, you may incur additional costs for a health exam and your pet may be required to start the vaccine series over again.**
- By signing this form you are consenting to the PWP program and the FreeVax program.
